NOTICE OF EXTENDED SHUTDOWN

September 29, 2020

Please know that the San Carlos Board of Directors met today and voted to extend the shutdown date for San Carlos until **December 31, 2020** for rentals. After significant discussion, the Board decided that there are simply too many safety hazards to take into consideration and too much work that must be completed before San Carlos can again be opened for business.

For Owners and Rental Companies, please refrain from sending housekeeping or any third- party vendor to San Carlos for any reason. If there is a specific need that cannot be delayed (e.g. insurance adjuster), please contact property management to schedule a time to come in by calling 251.747.4111.

Thank you all for your patience and understanding,

San Carlos Management
